ABOUT ME

As a dedicated and innovative educator, I strive to enhance teaching practices and motivate students to achieve their full potential. Fueled by a love for learning and a desire to embrace new challenges, I am committed to creating meaningful contributions to education and fostering successful outcomes for learners. I also leverage digital tools to create interactive and student-centered learning experiences.

EXPERIENCE

• 2021 - PRESENT

Ezzouhour Primary School

PRIMARY SCHOOL TEACHER

- Teaching Science and Math to 5th and 6th-grade classes.
- Designing interactive experiments to explain scientific concepts.
- Guiding students through the scientific method and inquiry-based learning.
- Creating engaging math games and challenges to reinforce concepts.
- Encouraging problem-solving through group activities and discussions.
- Breaking down complex problems into simpler steps for better understanding.
- Teaching Arabic to grade 1 and 2.
- Introducing basic Arabic language skills through interactive exercises.
- Using songs, rhymes, and visuals to make language learning fun.
- Incorporating simple reading and writing activities to reinforce vocabulary.
